Data-driven decision note

74.1% contribution margin on EUR 83,755 gross sales; EUR 16,245 remains to the period benchmark. After shipping, fulfilment, fees and advertising, EUR 35,167 (50.8% of net sales) remains.

Use the interactive dashboard to filter by date, SKU, bundle and promotion code.

Scope: product margin, then declared shipping, fulfilment, payment fees and advertising; not net profit.

Per-order costs are allocated by order value; overhead and refunds are excluded.

Source: validated Excel input or Shopify snapshot. Public demo figures are synthetic, not business results.

Margin Map v1.0.0 is local decision support, not an accounting or tax reporting system.
